Qty. masterpack / carton	:	5/20
Product weight	:	313 gr.
Product dimensions	:	75(W) x 140(L) x 25 (H)mm
Gift box weight	:	832 gr.
Gift box dimensions	:	209 (W) x 165,5(H) x 66(D) mm
Masterpack weight	:	4.3 kg.
Masterpack dimensions	:	34(W) x 22(L) x 17 (H)cm
Carton weight	:	18.5 kg
Carton dimensions	:	45 (W) x 35(H) x 38(D) cm

This Media Drive is a total solution, it enables you to simply read and write data from the most popular types of memory cards and store it on the 30 GB hard disk. This makes the Media Drive the ideal stand-alone solution for any mobile user taking digital pictures. The drive is supplied with a built-in rechargeable battery for easy use in every location. When your memory card is full just transfer the data to the hard disk and continue taking digital pictures. Besides copying from one media card to another or to the hard disk, you can easily connect the Media Drive to your computer and transfer all stored data via a USB connection.
